

Advance Care Planning **FAIR**

A health crisis can hit **any** of us,
anytime, at **any** age.

Advance
Care
Planning
MATTERS!
www.advancecareplanning.ca

If you could not speak for yourself, would
someone know your wishes?

Join people of all
ages because:

you're healthy but not
too young to think ahead

you have health issues

you care about
your family

you want control
over what happens to you
