

Stop Bill C-23

ILWU Canada Rally

Date: Dec. 16, 2017

Time: 10:00am

Location: Canada Place

Bill C-23 will allow:

- **US Homeland Security can deny Canadian workers the right to work in Canada.**
- **US Border guards will be able to detain and strip search workers and travelers without a valid reason.**
- **New USA Travel restrictions based on fear and hate could be a reason to deny workers security clearance.**

DON'T STRIP MY RIGHTS

Bill C-23 will give US preclearance officers power to **detain** travelers.

Stand with us against C-23.
