Introduction

The South Vancouver Seniors Network was re-established in April 2019 by MLA Michael Lee. The aim of the Network is to strengthen communication, collaborations and initiatives that support seniors issues and services by bringing together community leaders, organizations, staff and volunteers, and caregivers and seniors in the South Vancouver area. The Network, led by MLA Lee and the Marpole Oakridge Family Place, has received strong and ongoing participation and support from community partners across South Vancouver.

The Seniors Forum, to be held on February 9, 2020, is an initiative of the South Vancouver Seniors Network. Community booths and presentations from experienced community leaders will provide the South Vancouver community with direct access to social, health and educational resources for seniors as well as guidance on navigating seniors services and accessing critical resources for both caregivers and seniors.
