

Resolution #1

IMPLEMENT NATIONAL PHARMACARE PLAN

Whereas during the 2015 election campaign the Liberal Party of Canada made campaign promises to implement a National Pharmacare Plan for all Canadians; and

Whereas contrary to calls from Provincial Premiers, Canadian medical professionals, the Parliamentary Budgetary Office and Canadians from coast to coast to coast and their own policy paper(s) the Liberal Party of Canada has yet to begin implementation of that National Pharmacare Plan;

THEREFORE BE IT RESOLVED that the British Columbia Federation of Retired Union Members (BC FORUM) demand that the Federal Government fulfill their 2015 campaign promise to implement a National Pharmacare Plan; and

BE IT FURTHER RESOLVED that BC FORUM actively encourage its members to identify and vote for those candidates in the 2019 federal election who will commit to implementing a single-payer National Pharmacare Plan.
